

## MONTHLY RENTAL

### **Payment Information:**

The estimated amount of a monthly rental must be paid at time of rental pickup (or the renewal date on revolving rentals). Thrifty accepts major credit cards, including the Wal-Mart Credit Card. A company check will be accepted for deposit for Local Corporate Accounts with approval prior to rental pick-up. If a refund is due upon return of the rental vehicle, and a credit card was used for payment, a credit will be issued to that account. If a check was used, a check will be issued from our accounting department in approximately 10 to 14 business days.

### **Revolving Rental Option:**

This is an addendum to the Thrifty Rental Agreement. The Revolving Rental Addendum is part of, and subject to that certain Rental Agreement identified. The minimum and non-cancelable rental term for the vehicle is 30 days (maximum allowed is 180 days). On or before the expiration date of the Minimum Rental Term, the renter must advise Thrifty if they wish to exercise this option. A revolving contract can be used when a vehicle is to be kept out to a customer (maximum 180 days) and returning to the Thrifty Car Rental location on the contract renewal date (every 30 days) is difficult. The rental location reserves the right to contact the customer for vehicle status or follow-up (including but no limited to: current mileage, fleet inspections, vehicle exchanges).

\*Note: Payments must be made every month by the contract renewal date.
